

CATALYST 5/4x

INNOVATIVE AND PATENTED FRAME DESIGN

Patented frame concept uses intelligent geometry to create a significantly stronger, lighter and better performing chair.

VERTICAL AXLE PLATE

The Catalyst 5Vx, with all the performance you have come to expect from a Catalyst K5, offers three positions of CG and five vertical seat height adjustments.

SWING AWAY FOOTRESTS

Enjoy the simplicity and strength of Catalyst's patented swing-away footrest hangers. The tapered engagement keeps the footrests snug and rattle free. Comes with a lifetime warranty.

The Catalyst 5 Vx makes it a little easier to get reimbursement when CG adjustment is necessary.
